

एक प्रेरक प्रसंग

एक बार समर्थ स्वामी रामदास जी भिक्षा माँगते हुए एक घर की ओर आए। उस घर से एक महिला बाहर निकली और बोली, 'महात्मा जी कोई उपदेश दीजिए।' महात्माजी बोले, 'आज नहीं कल दूँगा।' दूसरे दिन महात्माजी उस घर के सामने आए और पुनः आवाज लगाई 'जय जय रघुवीर समर्थ।' उस दिन उस घर की स्त्री ने स्त्री बनाई थी जिसमें बादाय पिस्ते श्री डाले थे। महात्माजी ने अपना कमंडल आगे किया। वह महिला जैसे ही उस कमंडल में स्त्री डालने वाली थी उसने देखा कि यह कमंडल तो बहुत गंदा है। वह महात्माजी से बोली, 'महात्माजी! इस कमंडल में तो कूड़ा और कचरा भरा हुआ है।' महात्माजी बोले, 'गंदा तो है परंतु यह स्त्री तुम इसमें डाल दो।' स्त्री ने कहा, 'अगर मैंने स्त्री इस कमंडल में डाली तो स्त्री खराब हो जाएगी। लाइए! ये कमंडल मुझे दे दीजिए, मैं इसे साफ कर लाती हूँ।' महात्माजी बोले, 'मतलब, मेरे इस गंदे कमंडल में स्त्री नहीं डालोगी?' स्त्री ने कहा, 'नहीं महात्माजी!' महात्माजी बोले 'मेरा श्री गंधी उपदेश है कि जब तक मन में बुरे कामों का कूड़ा कचरा भरा पड़ा है तब तक उपदेशमृत का कोई लाभ न होगा।' अतः प्रथम अपने मन को स्वच्छ करना चाहिए।

दर्पण

समय का कर्जदार हूँ,
निरंतर बहती धार हूँ,
नई पीढ़ी की माँग हूँ,
बीती पीढ़ी का दान हूँ।
संस्कृति का नायक हूँ,
कला का गायक हूँ,
तेरते का सहारा हूँ,
दूबते का किनारा हूँ।
अमीर की राह हूँ,
गरीब की चाह हूँ,
अधर्म का विनाशक हूँ,
धर्म का शासक हूँ।
युद्ध की ललकार हूँ,
फिर चारों ओर हाहाकार हूँ,
सबके प्रति समर्पण हूँ,
मैं भारतवर्ष का दर्पण हूँ।

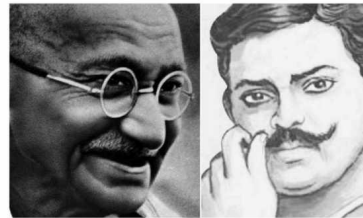

वेदिता जोषी

गाँधी जैसा दीवाना चाहिए

आज फिर गाँधी जैसा दीवाना चाहिए,
वतन पर मर मिटे ऐसा परवाना चाहिए,
कटू कटू कर अरी हो भावना देशप्रेम की जिसमें,
ऐसा सुभाष और अगत जैसा मस्ताना चाहिए।
खाई थी कसम न खाएँगे गुलामी की रोटी
हमें तो बस आजादी का एक दाना चाहिए,
जिस देश में मैंने माँगी थी अपनी गोद की मन्नत,
चंद्रशेखर या वीर और लक्ष्मीबाई सी वीरांगना चाहिए।
सब कुछ न्योछावर कर दिया देश के नाम पर,
देश को ही धर्म समझे ऐसा धर्मात्मा चाहिए,
न खुद को देखा न की परिवार की परवाह,
समाज की खातिर मर मिटे ऐसा परवाना चाहिए।
आज फिर गाँधी जैसा दीवाना चाहिए।

"असतो मा सद्गमय तमसो मा ज्योतिर्गमय मृत्योर्मा मुर्त गमय"

From Principal's Desk...

Dear Students we know the immense pressure to qualify the exams makes you all more stressed. But with right efforts, time bound practice, effective planning and a composed attitude, you can not only take the Board Exams on, but also come out with flying colors. "Success will come when you simply refuse to give up." "Wish you all Good Luck".

Dear parents, it is time to show your full confidence and provide full support to your ward. Take good care of their food, rest and sleep. Discourage junk food, minimize distractions at home, keep talking to them on and off to know how they feel. Assure them you are there for them, no matter how they fare in their exams. I am sure with your help and support we together will be able to handle this pressure well and effectively.

S. Malaviya
Principal

Editorial Desk

On Overcoming Exam Fear...

An examination or evaluation is an assessment of a student's ability, skills, knowledge and prudence. It is a worldwide phenomenon that exams are formidable even to the best-prepared ones because the greatest fool may ask more than the wisest man can answer. The fear of exam saps the examination courage. The poor performer feels fear of poor performance while a bright one is apprehensive of possible poor performance. For students, exams may seem a necessary evil, time consuming yet inevitable.

Most of the students find exams stressful because they have to produce a year's learning just within three hours. But an examinee must remember spending time thinking negative thoughts about exams won't help them to score better. The students must be positive about exams. Positive thoughts will help them to stay calm and motivated during preparation. Before going for exams, students must consider the following points in a positive note.

- Exams motivate us to learn things in a time frame manner which we would otherwise keep putting off.
- Board Exams open the doors for higher competitions. They are the doorsteps to our progress in life.
- Studying for exams deepens our learning as learning retrieves our memory.
- It is also an opportunity or a platform for the best students to showcase their talents and caliber.
- Despite a little bit of pressure situation, exams sensitize us to do better. At the same time, they evoke our curiosity and enthusiasm.

Some tips for exams:

Students must keep in mind the following points while preparing for Board Exam:

- ❖ Sound sleep, daily exercise, meditation, prayer and healthy diet will help and heal the stressed students.
- ❖ Start your preparation well in advance. Don't go for the eleventh hour preparation.
- ❖ Sometimes smart work is more fruitful than thoughtless hard work. So, plan smartly and study smartly.
- ❖ Students must opt for group studies, as it would remove their doubts and stress.
- ❖ Avoid learning new and fresh facts and concepts as it may arouse doubt in your mind.
- ❖ Don't talk repeatedly to your friends in terms of their preparation, as the comparison with others may have an ill effect on you.
- ❖ Before entering the exam hall, take deep breathing, as it would massively control your nerves.
- ❖ If you get blank or are unable to understand certain questions, don't be embarrassed. For the time being, you can skip the difficult questions and do the easier ones.
- ❖ Proper time management will help you greatly be it at home or in the exam hall.

To sum up, it can be said that along with students, even parents have the responsibility at home to ensure that their children do not go through any kind of tension or stress during the exam. Although parents need to make the students understand the importance of examination, they should not go overboard or should not expect very high beyond their child's capability. Parents must encourage students to study regularly and smartly. They must instill confidence in them so that they are able to appear for the exams confidently.

Wants and Needs

"Needs can make us needy but wants surely make us greedy." There is a big difference between needs and wants. Needs refer to the necessity of every human being and wants refer to the wishes, which once fulfilled regenerate again. As we all know that, every human being has some needs as well as some wants. As needs are nature created and wants are human created. Although most of the human creations are beneficial but the creation of wants has overcome all other creations and demanding more and more. More and more in terms of technology, popularity and above all in terms of money. The other case is of needs, which are common priority to every human being such as food, shelter and somewhat money in today's world. As everything has advantages and disadvantages. So, is the case here, if the wants are related to education and social welfare etc., they are very beneficial and if the same wants are related to amassing money, power and position, they are as harmful as drugs. Therefore, it depends upon us whether we are proving it valuable or not. To conclude, we must want that our wants should never prove unwanted demons for others.

(Piyush Chandra 11 B)

Riddles:

Solve the following riddles-

1. Give it food, it will live and give it water it will die.

It is.....

2. What is the thing that does not move but takes you from one place to another?

It is.....

3. They come without being called at night and are lost in the day without being stolen.

They are

4. I look at you, you look at me, I raise my right, you raise your left

I am.....

5. Don't tell others to keep it, if you yourself break it

It is

6. He has married many women but he himself is a bachelor

He is.....

Harsh Mehra (X A)

Witty Sayings

1. We must live together wisely or perish together as fools-----

Martin Luther King, Jr.

2. Patience is bitter, but it has a sweet fruit-----

Aris

3. Folks, who have no vices, have very few virtues-----

Abraham Lincoln

4. To live is the rarest thing in the world. Most people exist, that is all-----

Oscar Wilde

5. You are easy on the eyes, but very hard on the heart--

Terri Clark

Srishti Gupta (VI A)

Full form of Mother

M-is the million things she gave me.

O-means only that she's growing old.

T-is for the tears she shed to save me.

H-is for her heart of purest gold.

E-is for her eyes, with love and light shining.

R-means right and right she will always be.

Mahi Tomar (6 A)

Me and My Parents

I pack my bag in full swing

I go curiously for learning

With teachers, friends and parents

My life is full of fragrance

My mother makes efforts to make my way

I wish and greet my parents everyday

My parents work hard for me and do pray

To keep me happy and keep problems away

I asked my parents one day,

"Why you help in all my way?"

Parents replied touching my curl

This is because, "You are our world".

Tanu Chauhan (8 A)

Facts about English

1. 'I am' is the shortest complete sentence in English.
2. The quick brown heavy fox jumps over the lazy dog is a PANGRAM sentence. (It has all the letters in it, a-z)
3. Around 4000 new words are added every year to English dictionary.
4. 'Mispronunciation' is the most mispronounced word.
5. One of the longest English words that starts with a vowel and can be spelled without repeating any letter is - 'uncopyrightable'
6. 'Almost' is the longest word in English in alphabetical order.

Spectrum of Science

Light is a science,
Flight is a science,
Rain is a science,
Train is a science,
How they work and
What are the risks?
We learn with fun,
All in Physics.

Action is a science,
Reaction is a science,
Mixture is a science,
Texture is a science.
How they react and
What is the mystery?
We learn with fun,
All in Chemistry.

Production is a science,
Reproduction is a science,
Feeding is a science,
Breeding is a science.
How life exists and,
What is the ecology?
We learn with fun,
All in biology.

Deepshikha (11'B)

Anagrams

(The real magic of words)

1. the eyes They see
2. dormitory..... Dirty room
3. listen..... Silent
4. funeral..... The Real fun
5. the school master..... The Class room

Kashish Rajput (XI-A)

I Have a Promise to Keep

I am a boy
I always enjoy
To live with family and friends
Under the guidance of my parents
When I dim down and become slow
My parents and friends
Motivate me to glow and glow
If I start to be dejected
And I begin to weep
As usual my parents and friends
Remind me that I have
A promise to keep
That makes me think
And dig into deep

अनुशासनस्य आवश्यकता

अनुशासन-पालनं नैव मानवः जीवने साफल्यमधिगच्छति। बाल्ये यौवने प्रौढत्वे वास्तव्ये चापि अनुशासनस्य आवश्यकता भवति। पुत्रं हि गृहे विद्यालये सार्वजनिक संस्थासु शासने सेनायां वा अनेन विना न चलति। यदि छात्राः विद्यालये अनुशासनस्य पालनं न कुर्वन्तः तदा तत्र अव्यवस्था भवेत्। अद्यत्वे विद्यालयेषु महाविद्यालयेषु च सर्वत्र अनुशासनस्याभावः दृश्यते येन ताः संस्थाः उपद्रवाणां कलहानां च केंद्राणि जायन्ते। यदि शासने अनुशासनं न भवेत्। तर्हि सर्वमपि राष्ट्रः विध्वंस्यताम् गच्छेत्। अतः आत्मनः देशस्य समाजस्य चोन्नत्यै अनुशासनं नितरामावश्यकम्।

विवेकशीलता

मानवः सर्वाणि कार्याणि विवेकपूर्वकं विचार्य पुत्रं कुर्यात्। यः स्त्रुतु समयकं न विचारति सहसा पुत्रं कार्यं करोति, सः विवेकशून्यः भवति पुत्रं सः जनः पदे-पदे असफलताम् अनुभवति। जनाः तम् उपहसन्ति मध्यकाले राज-पुत्राणां पराजयस्य पुत्रं पुत्रं कारणं आसीत्।

बस तू चल

राही चल सुहानी राह है,
क्यों तू ठहरा है ?
माना बहुत कठिनाइयाँ हैं,
पर रुकना गुनाह है।
तू थककर क्यों बैठ जाता है।
किस्मत क्यों नहीं आजमाता है ?
सफलता वहीं पाता है,
जो रुकता नहीं, बढ़ता ही जाता है।
तू अचल पर्वत से सीखा,
तू भक्ति नदिया से सीखा,
तू रह अडिग बस लक्ष्य पर,
न फल की सोच, बस कर्म कर।
कष्ट को तू अनदेखा कर,
बस मंजिल को देखा कर,
दूर डर को अब भगा,
स्वर्ण अक्षर में नाम लिखा।
तू चलता जा बस राहों पर,
मंजिल रहे गिनाहों पर,
तो यादा ये मेरा रहा,
कदमों से दूर मंजिल कहाँ।

माँ

माँ तू कितनी अच्छी है,
प्यार मुझे तू करती है,
खाना मुझे खिलाती है,
ध्यान मेरा तू रखती है,
आदर करना सिखाती है,
राही गलत बतलाती है,
पढ़ना मुझे सिखाती है,
कभी झूठ न बोलने को कहती है,
सत्य का पाठ पढ़ाती है,
माँ तू कितनी अच्छी है।
